We confirm that the project costs stated in column 1 were actually incurred and were financed as stated in columns 2, 3 and 5. In accordance with the conditions of approval, we have used the funding for the aforementioned purpose economically and sparingly and in a non-profit context. The contractual agreements and other special conditions of approval have been complied with. The costs listed in column 5 were invoiced exclusively to the Robert Bosch Stiftung. All of the details provided in the account are evidenced by verifiable and proper documents; they are in conformance with the books of account and the receipts. All receipts and similar documents relating to expenses financed out of the funding of the Robert Bosch Stiftung have been translated into German or English and provided to the Stiftung in full in electronic form. The remaining amounts shown have been returned to the Robert Bosch Stiftung.
