

## Partners and Grantees of RBSG

**03/20/2020**

Dear partners and grantees,

In light of the corona pandemic, we are committed to taking all the necessary steps to provide you with maximum assistance and flexibility in the projects and programs we support with our funding. To this end, we will provide ways for you to:

- extend grant periods in order to postpone projects or project elements that cannot continue as planned. This mainly applies to events, trips, and fellowships.
- use the project budget to cover cancellation fees for trips, events, etc.
- reallocate or shift line items in your project budgets.
- adjust payment dates for open grant instalments.
- postpone deadlines for reports that would have been due starting March 1, 2020.

We are taking equal steps for our fellows and program participants.

Please make sure to reach out to your respective project managers for any assistance you need. Together, we will find a solution.
